MEMORANDUM FOR: EXO/OSO
CS II/OPC

SUBJECT: Overseas Training Material

1. The following paragraph of the minutes of the Joint Training Committee meeting of 3 August 1950 is requoted for your information:

25X1A9a

[redacted] brought up the problem of sending instructional material used in the United States to overseas training areas. These materials must be screened and approved before they can be forwarded. After discussion the Joint Training Committee recommended the establishment of a Review Board for Overseas Material. This board would consist of an OSO representative, probably Mr [redacted] Chief, Staff C, a representative of OPC, probably the Operational Security Officer, and a representative of TRD. In addition, TRD would provide the secretary for the meetings."
